Please Note: Payment for a tutoring session is based on when the session is marked complete, not on the payroll period in which the session was held.

For Example: If the session date was on **8/5**, but it was marked as Complete in ElevateDD Learner on **8/20**. Pay for the session will be included in the **9/5** paycheck, because it was marked completed within the **8/9-8/22** payroll period.
