

Introductory Interview Guide

We share this guide with approved families when they join the program. Most often, these interviews take place over a phone or video call.

Questions to Ask

Where do we want to meet?

If we plan to meet at home, do you have any pets?

*If you are meeting in a library or other mutually agreed upon location, please remember to reference the hours of availability – and consider making a reservation!

What is the best way to reach you? (Phone call, text, email)

When will our sessions take place?

How far out do we want to schedule now?

*Appointments must be booked on the ElevateDD Learner platform.

What are your personal health and safety precautions/preferences? *Learning Aid Ohio recommends following CDC guidelines.*

Items to Share

Share your learners' goals with participation in the program. What areas of need would you like to focus on?

Then, ask the tutor: **“How can you help my learner reach these goals?”**

Share any positive and negative experiences your learner has had with learning.

Share your learners' hobbies, interests, and things that motivate them!

Consider sharing your learners' IEP with the tutor to help them support you.
