

## Become a Paid Tutor Supporting Students on IEPs

### Learning Aid Ohio

connects students learning on an IEP (Individualized Education Program) with experienced tutors to provide in-person, supplemental support. Our tutors are independent contractors who set their own hours and use their own materials. With flexible schedules and competitive rates of pay based on level of education and experience, our tutors find so much joy and fulfillment in working with students on their educational goals and helping build the students' self-confidence.

### How It Works

#### Apply

To apply please provide:

- Proof of education
- Current BCI or ODEW license

#### Manage

Once approved, you can access your account, write a bio, set your availability, and manage tutoring sessions.

#### Tutor

Interview with families and begin providing in-person tutoring sessions to students on IEPs.
