**Please note:** Payment for a tutoring session is determined by when the session is marked as complete, not by the payroll period in which it occurred.

To ensure payment on the correct pay date, all sessions must be marked complete by the final day of the same payroll period.

**For Example:** If the session date was on **8/5**, but it was marked as Complete in ElevateDD Learner on **8/20**. Pay for the session will be included in the **9/4** paycheck, because it was marked completed within the **8/8-8/21** payroll period.
